

GSCP

GreenStar Community Projects: the educational non-profit affiliate of GreenStar Cooperative Market. Working to build a system of regional food sustainability that promotes health, equity, and community control of essential resources.

The focus of GSCP is *Food Justice*

What does *food justice* mean to you?

The focus of GSCP is *Food Justice*

What does *food justice* mean to you?

We define it as : The ability of our ENTIRE community to access healthy and nutritious food. That our local food system is built upon equity and sustainability.

2nd Annual Food Justice Summit:

- Saturday, September 22: Walkathon fundraiser starting at 10am at Neighborhood Pride with a [5 mile loop](#) including "educational stops" for people to learn about food justice projects underway.
- Walkathon culminates at the Food Justice Street Fair outside Neighborhood Pride with keynote speaker Ms. Charity Hicks, live music, local organic BBQ, youth activities, vendors, speakers, educational tables and more. Keynote address will be followed by a "community conversation" facilitated by Ms. Hicks. Please join the conversation!

COMMUNITY
PROJECTS**

Our Walk a Thon / Street Fair Goals

- To raise awareness of the Food Justice movement
- To bring our community together for a day of education and fun
- To raise \$25,000 through donations

Where is the \$ going:

- Money raised will go towards covering the cost of the event
- To organize a follow-up **networking event** in November for people to continue working together to build a sustainable (socially just, ecologically responsible and economically viable) local food system.
- A min. of \$500 will be donated to enrich Congo Square Market, a thriving multicultural gathering on Friday evenings at Southside Community Center with food, music and craft vendors.
